Is the above address where these donations will be delivered? If not, please provide:

Street Address: _____

City: _____ Zip: _____

Primary Contact at this location: _____

Phone: _____ eMail: _____

DIAPER NEED

The following questions are so HomeAid can determine the need for diapers collectively before the campaign begins. Please be as accurate as possible with your answers.

How many babies/toddlers did you serve in 2016? _____

How many babies/toddlers are currently at your shelter? _____

Do you offer diapers to low income families outside of your shelter? Yes No

If yes, on average how many babies/toddlers per year? _____

Other than diapers, please list other items you need to serve families with babies/toddlers: _____

DONATION DELIVERY & STORAGE CAPACITY

Is your storage capacity small, medium, large or unlimited? _____

Are you able to pick-up donations from HomeAid at our warehouse in Sorrento Valley? Yes No

HomeAid would like to share with its donors what it means to have these donations annually. Please answer the following questions openly to help us better understand the need your families are facing and how this helps your program. Stories are welcome! (Attach additional sheets if needed)

How does this program impact your families and your organization? _____

What is the financial impact (savings) to your organization? _____

FINANCIAL LITERACY WITH BANK OF AMERICA

Would you like a Bank of America representative to come speak with your residents? Yes No

On behalf of HomeAid San Diego County, thank you for taking the time to fill out this application.
