

'Care Kits'

HomeAid 'Care Kits' is a community outreach initiative that brings together donors and volunteers to create and distribute Care Kits to homeless individuals and families.

The Care Kits are reflective cinch backpacks for the homeless that are filled with essential hygiene products, socks, and 2-1-1 resource cards that connect them to available services throughout the county. A kit is much more than the amenities inside - it's about providing hope and a hand up.

Join HomeAid San Diego in reaching out by collecting new travel size toiletries and other essentials (listed below) to assemble these Care Kits or sponsor the backpacks by making a cash donation.

Care Kit Items:

- Shampoo
- Conditioner
- Lotion
- Soap/Body Wash
- Toothbrush
- Toothpaste
- Chapstick
- Comb
- Socks (plain crew, white or black)
